DANIEL BERMÚDEZ

WEB DEVELOPER

PERSONAL PROFILE

I am a passionate frontend developer with more than 4 years of experience in web development. I specialize in creating efficient and attractive user interfaces using technologies such as HTML5, CSS3, Tailwind, JavaScript and Vue.js. I have also worked on the development of websites on platforms such as WordPress and PrestaShop, and I have extensive knowledge in the implementation of agile methodologies such as Scrum and Kanban, which has allowed me to ensure the quality and timeliness of the projects in which I have participated. .
